REPORT OF THE SENATE COMMITTEE ON ETHICS

Madam President: Pursuant to Senate Rule 97, the Senate Committee on Ethics met on February 3, 2020, to render an advisory opinion with regard to Senator Jon Ford's request that the Committee consider whether or not he has a conflict of interest pertaining to SB 324 which would require him to be excused from voting on this bill at any stage of the legislative

process. The members in attendance were: Chairman L. Brown, Senator Charbonneau, Senator Walker, Senator Breaux, Senator Mrvan, and Senator Lonnie M. Randolph.

The Senate Committee on Ethics has considered the facts presented by Senator Jon Ford and the Committee found no conflict that could require Senator Jon Ford to be excused from voting on SB 324. The vote of the Committee was 6-0.

L. BROWN, Chair

Report adopted.

RESOLUTIONS ON FIRST READING**Senate Resolution 24**

Senate Resolution 24, introduced by Senators M. Young and Jon Ford:

A SENATE RESOLUTION supporting Taiwan's signing of a Bilateral Trade Agreement with the United States, reaffirming support for increasing Taiwan's international profile and for strengthening ties between Indiana and Taiwan.

Whereas, In 1979, the State of Indiana established a sister-state relationship with the Taiwan Province, the Republic of

China (Taiwan), and Indiana and Taiwan have enjoyed strong bilateral trade, educational and cultural exchanges, and tourism;

Whereas, Taiwan shares the same values of freedom, democracy, human rights, the rule of law, peace, and prosperity with the United States and the State of Indiana;

Whereas, The United States ranks as Taiwan's second-largest trading partner, Taiwan is the United States eleventh-largest trading partner, and the two nations conducted bilateral trade of \$76.3 billion in 2018;

Whereas, Taiwan and the State of Indiana have enjoyed a long and mutually beneficial relationship with the prospect of future growth, and Taiwan was Indiana's seventh-largest export market in Asia in 2018, with \$177 million worth of Indiana goods being exported to Taiwan;

Whereas, Negotiations for a Bilateral Trade Agreement between Taiwan and the United States are an important step toward further strengthening bilateral trade between our countries, thereby increasing Indiana's exports to Taiwan and creating bilateral investment and technical collaboration through tariff reduction and other trade facilitation measures; and

Whereas, Taiwan has undertaken a policy of "steadfast diplomacy" in its international relations, and is capable of and willing to fulfill its responsibilities and collaborate with the world to deal with the world's challenge, including humanitarian aid and disease control: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate reaffirms its commitment to the strengthening and deepening of the ties between the State of Indiana and Taiwan, supports Taiwan's signing of a Bilateral Trade Agreement with the United States, offers its continued support to Taiwan's meaningful participation in international organizations which impact the health, safety, and well-being of its people, and supports Taiwan's aspiration to make more contributions in international societies.

SECTION 2. The Secretary of the Senate is hereby directed to transmit copies of this Resolution to the members of the Indiana Congressional Delegation and the Taipei Economic and Cultural Office in Chicago, Illinois.

The resolution was read in full and referred to the Committee on Public Policy.

Senate Resolution 25

Senate Resolution 25, introduced by Senators Buchanan and Altig:

A SENATE RESOLUTION urging the legislative council to assign to the fiscal policy study committee the issue of innkeeper's tax distributions in Tippecanoe County.

Whereas, Tippecanoe County is permitted to collect a county innkeeper's tax at a rate not to exceed 6%, and has collected a 5% innkeeper's tax since 1986;

Whereas, Since 2008, money collected from the Tippecanoe County innkeeper's tax is distributed as follows: 30% to the Department of Natural Resources for project development at the Prophetstown State Park, 40% to the Lafayette-West Lafayette Convention and Visitors Bureau, 10% to Historic Prophetstown, 10% to the Wabash River Enhancement Corporation, and 10% to a community development corporation benefitting Lafayette and West Lafayette;

Whereas, Tippecanoe County's innkeeper's tax is the only innkeeper's tax in the state that is distributed in part to support a state park; and

Whereas, Studying the distribution of Tippecanoe County's innkeeper's tax is important to support local economic development: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the legislative council is urged to assign to the interim study committee on fiscal policy the issue of innkeeper's tax distributions in Tippecanoe County.

SECTION 2. The Secretary of the Senate is hereby directed to transmit a copy of this Resolution to the legislative council.

The resolution was read in full and referred to the Committee on Tax and Fiscal Policy.

Senate Resolution 26

Senate Resolution 26, introduced by Senator Breaux:

A SENATE RESOLUTION to urge the legislative council to assign to the appropriate summer study committee the topic of elevated blood lead level testing of children ages 0-6 who have Medicaid coverage.

Whereas, Lead exposure damages a child's brain and nervous system leading to numerous health issues including problems with hearing and speech. In turn, lead exposure can affect a child's ability to learn, notably, interfering with IQ and undermining overall achievement;

Whereas, According to the Centers for Disease Control and Prevention (CDC) there is no level of lead in the blood that is "safe" for children. Low levels of lead, even below the CDC's established threshold of 5 micrograms per deciliter (µg/dL), in a child's blood, can affect multiple aspects of the child's life;

Whereas, Children can be exposed to lead through a variety of sources including: toys, paint, dust, home health remedies, imported objects such as candy and jewelry, pottery, varying consumer products, and drinking water. The CDC notes that childhood lead exposure is entirely preventable;

Whereas, Lead exposure and lack of blood lead level testing is a nationwide issue. According to a CDC blood lead levels report, in 2017 only 18.7% of the nation's 0-6 year olds were tested to determine their blood lead levels, representing 40,051 children with blood lead levels greater than 5 micrograms per deciliter (µg/dL);

Whereas, Lead exposure and lack of testing is also an issue facing Hoosiers aged 0-6. According to Indiana's 2018 Childhood Lead Surveillance Report, 68,868 children around the state were tested for elevated blood lead levels. Of those children, 619 had at least one elevated result and 220 had a confirmed elevated blood lead level result;

Whereas, As of December 2018 there was a combined total of 277,133 children ages 0-6 enrolled in Hoosier Healthwise, Hoosier Care Connect, and the Healthy Indiana Plan. As mentioned above, 68,868 children were tested for elevated blood lead levels, meaning only 24.9% of Indiana's Medicaid covered children were tested in 2018;

Whereas, If a Hoosier child is insured by Medicaid they must receive this blood lead level test at 12 months and then again at 24 months according to guidelines established by the Centers for Medicare & Medicaid Services (CMS);

Whereas, Other CMS requirements include: administering a blood level test to children between 24 and 72 months if there are no previous test results on file, providing access to these tests for individuals on Medicaid, and submitting annual data detailing the number of tests conducted on children ages 0-6; and

Whereas, The data and statistics prove that testing for all children ages 0-6 with Medicaid coverage is imperative. Indiana must evaluate its blood lead level testing policies to align them with CMS and CDC recommendations and to keep Hoosier children safe and healthy: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate urges the legislative council to assign to an appropriate study committee the topic of elevated blood lead level testing of children ages 0-6 on Medicaid.

The resolution was read in full and referred to the Committee on Health and Provider Services.
